## Providing Meals with Love

At First United Methodist Church it is important to care for others in the name of Christ. In 2012, we will transition to a Congregational Care Callers ministry. In the time of need, these Congregational Care Callers will call upon volunteers to provide a meal for an individual or family. We are looking for volunteers to be on a list called Meal Providers. Volunteer Meal Providers will be called upon occasionally to take a meal to someone within our church family if the Care Caller finds a meal would be helpful. These church friends may be going thru a time of crisis like a hospitalization, death in the family, or surgery, or it may be a joyful time like a birth of a baby. If you would be willing to provide a meal with love and to be on this calling list for Congregation Care Callers, please fill out the form below. Thank you for your consideration!
